

NEW MEXICO HORSE COUNCIL

PROJECT GELDING

Program Criteria & Owner Application

NMHC issues vouchers to help with the cost of castration of stallions. Each voucher is worth \$100.00 and is to be applied to castration of one stallion. These are limited to two per owner. Vouchers will be issued on a first come, first serve basis.

NMHC needs to know that the person castrating the stallion is the rightful owner of the horse. See Proof of Ownership and Horse ID below. Mandatory.

Vouchers are to be used towards castration only and awarded to owners of horses in dire need of financial assistance. Vouchers are issued directly to the vet prior to castration and the vet will be refunded ASAP.

NMHC is providing criteria for owner and horse but veterinarian may use discretion as to the overall needs of the stallion during and after castration. Any cost outside of \$100.00 voucher is at the expense of the owner.

The voucher is meant to be a final stop to uncontrolled increase in population of horses that cannot be properly maintained by owner, for whatever reason.

Print this page out, fill in the required information, scan and return to
Kristin:email nmprojectgelding@gmail.com

Criteria for vouchers:

_____ Proof of ownership must be provided to veterinarian.

_____ Horse ID (brand, chip. Tattoo or attached Photo)

_____ Evidence of need. (Specify) _____

i.e. Owner has financial limitations and or hardships but is willing to castrate stallion with financial help.

i.e. Horse purchased was misrepresented as a gelding or was already in foal and misrepresented as such.

_____ Stallion is immunized, as required by veterinarian.

Signature of owner _____

*** Please email the date the castration is scheduled for to Kristin and she will issue one or more vouchers to the veterinarian before castration.**
