

## 2024 New Mexico State Fair Volunteer Program

**Mission:** The State Fair Horse Show has many roles and positions behind the scenes that we would like to offer to those in the community who want to support the Horse Shows at the State Fair this year. This is a new program that will require many minds and hands to execute a busy presentation of what the New Mexico horse community has to offer and demonstrate the core values the Fair represents in Equine events and access to the public. We have educational clinics, competitions and the Meet the Breeds Barn Aisle.

The spirit behind building this program has been about dedicating time and energy to share horses with everyone through our activities and foundation of one of the largest Fair experiences in the US. The actual production will depend greatly on the outreach of volunteers who also want to see this event be successful, too.

The momentum is building, and we will be hosting an online Zoom meeting to further educate, prepare, and train anyone interested in the volunteer positions available.

**When:** Volunteer shifts will be scheduled in approximately 6-hour shifts. Mornings from 8am to 2pm, Afternoons from 1pm to 7pm. Dates are Tuesday September 3<sup>rd</sup> through Monday September 16<sup>th</sup>. Check all available dates/shifts you can commit to on the application form. Plan the extra time to get in the gate and get to the Horse Arena.

**How:** Complete BOTH application and liability waiver and email to Show Manager Mariah.wilson88@yahoo.com with subject "Fair Volunteer App". Be sure you have filled out all contact information. We will review all applications and contact everyone as the event gets closer with confirmations on shifts and Zoom meeting for positions needing training.

Volunteer coordinator Shannon Burt will be your point of contact after the confirmation process. Parking and admission passes will be assigned to only the confirmed volunteer for the specific dates committed. You will sign in and out at the Horse Show office when you participate and designate which organization you would like to dedicate volunteer work.

**Who:** Anyone is welcome to apply to volunteer over the age of 18 as an individual. Individuals with disabilities and youth 18 and under are encouraged to participate with their adult guardian or approved assistant who is with them for the entire volunteer shift. Many positions require no horse or event experience. Some positions do require some informal training and a Zoom meeting will be held for all volunteer applicants to attend. We will further discuss safety, protocol and expectations at that time. All volunteers will be required to return liability waiver prior to participating during the event.

Where: The New Mexico State Fair is at Expo NM. Gate 8 entrance (Louisiana and Lomas) will be utilized for all Horse Show staff and volunteers. This is the gate south of Lomas on the East side of the campus. Only right-hand turns are allowed during the State Fair, so plan to come from Lomas and go south on Louisiana. Passes will be distributed to volunteers before the start of the Fair. There will be a secured room for volunteers to store their purses/keys/water bottles during their shift.
